Current Awareness – Falls Prevention

Nov 2017- Jan 2018

Contact your closest Queensland Health Library for information on accessing any articles listed in this service.

Citations listed have been generated as an update from the CINAHL and Medline databases. The citations in this document should NOT be considered an exhaustive set of information on Falls Prevention.

Queensland Health clinicians are reminded to utilise the Clinicians Knowledge Network https://www.ckn.org.au for more information available in the area.

This service provides links to the Electronic Full Text of an article when available.

To locate copies of articles:

Use the URL links within this document to access the database (CTRL and Click on link).

If full text is available within the database, then a PDF icon or HTML text should display.

If there is no PDF or HTML link, then use the FIND IT @ CKN link. If the item is available via CKN you will find a link for Item held in CKN Full text available from <publisher>. Click on this link to view articles.

If the item is not available on CKN, then select “Request this item” link and complete details including selecting your local QH Library. Can’t find the article you want? Contact your library to request a copy or use the online request form (selecting your local library) at QH Libraries.

Where there is no link, request article from your local QH library.
