RESEARCH INCUBATOR

Do you have an issue or topic you want to develop into a research project?

Mentored by a panel of experienced researchers from CHHHS, JCU and Apunipima Cape York Health Council, incubator participants will be assisted to develop their idea into an answerable research question and select a design. Places will be limited. Teams are encouraged to attend.

**Date:** 15 October

**Time:** 3-5.30pm

**Venue:** Rm 5, Level 4, A Block, Cairns Hospital

Registration opens 30 September
