In support of Patient Safety & Quality Improvement initiatives

Information for this priority area has been identified by: Cairns Hospital Library & Knowledge Centre

Contact your local Queensland Health Library for help to access articles listed. For a full list of libraries and their contact details, go the Queensland Health Libraries webpage.

Source of references:
CKN Discovery, Ebsco Medline, CINAHL, Health Policy, Socindex, Psycinfo & PubMed databases

This list is not a complete set of information on Patient safety & quality. Search Clinical Knowledge Network (www.ckn.org.au) or contact your local library for a comprehensive literature search. Some references may be available in full text via CKN. CHHHS & TCHHS staff should contact LKC for assistance.

To locate copies of articles:
• Click on URL links to access citations
• CKN Full text options include: PDF icon or HTML text
• No PDF or HTML link? Use the CKN Full Text link
• No CKN full text link? Click on Request this item link
  o On the next page, select the Request this item from your local HHS Library link – second option in the list
  o Complete details and select your local QH Library
• Can’t find the article you want? Request a copy via your library at QH Libraries.
• Where there is no link, request article from your local QH library
